TÜRKİYE

On behalf of TURKISH AIRLINES TECHNIC INC., I certify herewith that the quality management system of above specified company was assessed and found to be in compliance with TURKISH AIRLINES TECHNIC INC.'s quality procedures and was approved as a subcontractor in accordance with requirements given in POE Ch. 2.2 and POPM 2.2 for accomplishment of the production activities detailed below:

Additive Manufacturing for Plastic Parts (3D Manufacturing for Plastic Parts)
as per POPM 2.6.27

See Approval Schedule for further details.

Subject to the continued satisfactory operation of the subcontractor's quality management system, this Authorisation Form, unless cancelled, suspended or revoked, shall continue in effect until **24.08.2027**.

Mustafa ŞİMŞEK
Quality Manager

Initial Date of Issue : 24.08.2020
Current Date of Issue : 22.08.2025
Number of Issue : 04

APPROVAL OF SCOPE OF WORK

2. **SUB** shall notify TTPO of any changes (e.g. changes to production methods, changes to the organization quality system and structure including the person(s) in charge of quality, location changes, changes to the scope of approval and ownership.) which will affect this Approval of Scope of Work, at least one month before such changes are made.

3. **SUB** shall notify TTPO (e-mail address: 21quality@thy.com) of any failure, malfunction, defect or other occurrence which has resulted or may result in an unsafe condition. SUB also shall notify errors, near misses and hazards that have potential to cause any unsafe condition.

4. **SUB** shall notify qualified personnel to TTPO. If needed **SUB** shall share records regarding the competence and experience of the relevant personnel with TTPO.

SUB's personnel who will work in TTPO activities shall receive SMS and HF training. These trainings will be given by TTPO in case **SUB** doesn't have SMS.

5. In case of **SUB** doesn't have SMS, **SUB** is to be integrated into the safety management element of the TTPO and safety actions can be handled with the supervision of TTPO. Safety policy and associated safety objectives of TTPO should be communicated.

TTPO will find out hazards related with production activities of subcontractor during the audits or production activities and then identify and record these hazards in its own system. Risk assessment, risk acceptance, mitigating actions also will be performed by TTPO and SUB is obligated to be transparent and collaborative to perform these safety actions. SUB is obligated to take necessary mitigating actions under the supervision of TTPO in case of an unacceptable risk level. For other risk levels, TTPO and SUB will reach to a compromise about the mitigating actions.

SUB shall share the contact information (e-mail address: 21SMS@thy.com) of with all personnel involved in TTPO activities so that their personnel can make voluntary reports on safety issues.

In case of **SUB** has SMS, SUB shall report identified hazards and performed risk assessments with risk control activities to TTPO

6. By signing below, **SUB** accepts to permit any planned / unplanned audits by Turkish Technic as well as Turkish DGCA and EASA.

7. Receiving party agrees not to disclose any intellectual property (e.g. design data, customized material specs...etc.) to a third party.

8. Reason for the issue of the "Certificate of Approval No: PO-SUB-29";

- ☐ first issue
☒ regular renewal
☐ other

If other; please specify briefly;
